Supporting the development of a diverse student body is central to the University of Minnesota's mission. This mission is enacted by the inclusion of academically excellent students with diverse backgrounds, experiences, and/or commitment to diversity, equity, and inclusion. Please write a statement in the space below that identifies the distinctive characteristics and/or life experiences, such as successfully overcoming obstacles or hardships, that you would bring to your program and how that could contribute to the education and enhanced perspective of fellow students at the University of Minnesota.

If you are chosen for nomination by the Graduate Program in Pharmaceutics you may be asked to expand on your statement above. You will also be asked to provide an additional statement reflecting on the Graduate School Diversity Office (GSDO) Values which can be viewed at <https://grad.umn.edu/diversity/community-scholars-program>.
