Plan B
Fieldwork placements: Semester 7 (Fall) and Semester 8 (Spring)

Please follow the registration guide below if your fieldwork assignments are in Fall and Spring. If you have additional elective courses to complete during these semesters, we strongly suggest taking an independent study or OT 7852/7851 during the terms you are enrolled in full-time fieldwork.

Semester 6: Summer

Course ID	Title	Credits	Notes
OT 7653	OT Capstone Preparation III	1	
OT 7821	Systems of OT Practice	2	
OT 7831	Professional & Grant Writing	2	
OT 7841	Program Development in OT	2	
OT 7842	Teaching and Learning in OT	1	
OT 7855	Seminar in OT Issues	1	
Optional	Electives		Independent study, OT 7852/7851, or approved course

Total required credits **9** **Adding elective courses will bring you above this total**

Semester 6: Fall

If you are using the Student Health Benefit Plan – you must request an exception for fieldwork prior to the start of the term. This includes a letter from the department. Contact otadvising@umn.edu for this letter.

Course ID	Title	Credits	Notes
OT 7695	Level II Fieldwork in OT	9	Permission required – the department will grant this prior to registration
OT 7641	Management of OT Practice	2	
Optional	Electives		Consider independent study or OT 7852/7851 during full-time fieldwork

Total required credits **11** **Adding elective courses will bring you above this total**

Semester 8: Spring

If you are using the Student Health Benefit Plan – you must request an exception for fieldwork prior to the start of the term. This includes a letter from the department. Contact otadvising@umn.edu for this letter.

Course ID	Title	Credits	Notes
OT 7695	Level II Fieldwork in OT	9	Permission required – the department will grant this prior to registration
OT 7754	OT Capstone Preparation IV	1	
Optional	Electives		Consider independent study or OT 7852/7851 during full-time fieldwork

Total required credits **10** **Adding elective courses will bring you above this total**
